

# **Apprentice & Journeymen Training Trust Fund of the Southern California Plumbing & Piping Industry**

## **Parking Policy**

All vehicles must adhere to the parking signs as displayed and the painted zones in the parking area. Please note red areas and no parking areas or signs. Please park in designated spaces only.

Any violation to parking zones will result in vehicles being towed from the property at the owner's expense.

Additional Sheriff and/or police patrol units have been requested to be in the area at the beginning and end of class sessions.

Please remember that it is everyone's responsibility to provide a safe environment for learning. This begins with each of us as we arrive and depart from work and school, as well at a home.

Additionally: There will be one designated parking space per training center that will be reserved for the Apprentice of the Month. Students cooperation in ensuring the availability of this spot remain reserved for the Apprentice of the Month is expected.
